P. O. Box 160
Ridgeland, S.C. 29936

Dear Public Service Commission,

I am writing to ask you **NOT** to give SCE&G a increase in the rates. Our rates are high enough. The people of S.C. can not keep having their utility bills raised. I am retired and on a fixed income. My light bill was 75 to 100 dollars more each month this winter than last year.

~~Thank~~ you,

Linda Cooler
